

## WEB LISTING FOR BSGAC MEMBER RENTAL UNITS

*A rental unit shall be defined as a unit that is not the primary residence of the owner and not eligible for Florida Homestead Exemption. The tenants must have a written lease agreement with the owner for the period of stay. The tenants must be registered with the club office. Temporary guest cards will be issued and must be presented whenever using the club privileges.*

This listing will appear in the public side of the web site where those interested in renting in the area and being able to use the Club can find rental units that offer BSGAC membership privileges.
